

[I08] resilience

[I08_p01] detect

wim mees

resilience

what is expected from you

your project

- ▶ in your project
 - ▶ assess how well the detection pillar of resilience is covered in your agency
 - ▶ look for opportunities in your architecture to improve the detection capacity
 - ▶ organize this as a SWOT analysis
- ▶ in your report
 - ▶ present the SWOT analysis of your detection capacity

conclusions

Figure 1: questions or comments ?
